CORPORATE AND SOCIAL CHARTERED EVENTS

Nautic7 proudly offers captained sailboats for corporate offsite and social chartered events.

Let us create an outing specifically designed for you, your friends and family or your company that will thrill and invigorate you. Using our local knowledge of the waters, we can make sure your group has a rewarding fun filled adventure. Sailing is the perfect answer whether you want to take your team out as a bonus or incentive for an afternoon on the water or to celebrate an occasion. Bring your own drinks and food, or we'll arrange light snacks and refreshments for you.

Or what about this?

Ever considered a structured team building event with your work crew? Nautic7's Corporate Team Building events, lead by a professional facilitator, can maximize your team's efficiency and effectiveness.

What ever you're looking for, we'll help you custom design your event that you won't forget.
